When exactly are you available to work? How much (ideally) would you like to work? What is the minimum/maximum number of weekly hours you are willing to consider?

Why do you want to work for Mischief?

We want our employees to be passionate about the things we sell. Tell us about your experiences/likes/dislikes within the realms of comics, gaming, and general geekdom.

Retail work at Mischief may require standing for periods of up to four hours, repeatedly going up and down stairs, and carrying loads of up to 40 pounds. Is there anything that would limit your ability to carry out those tasks?

I certify that my answers are true and complete to the best of my knowledge. I authorize Mischief LLC to make such investigations and inquiries of my personal, employment and other history as may be necessary for an employment decision. I hereby release employers, schools, or persons from all liability in responding to inquiries in connection with my application. In the event I am employed I understand that false or misleading information given in my application process may result in discharge. I agree that if I am employed by Mischief LLC, now or at any time in the future, my employment may be terminated by Mischief LLC at any time without liability to me for wages or salary except for such wages or salary which I earned prior to the date of my termination. I understand that my employment with Mischief LLC is at-will and that my employment can be terminated for any reason with or without cause and with or without notice.
